

## Mother's Day "Baby Shower"

### collection of baby items benefits the clients served by Woman's Choice Services

On Mother's Day weekend May 7<sup>th</sup> and 8<sup>th</sup>, St. Dan's Christian Out Reach Effort (CORE) ministry will once again facilitate a "baby shower" collection of newborn baby items to support Woman's Choice Services (WCS). Woman's Choice Services provides Life Choices for Women in need. Woman's Choice Services opens doors for women who may feel alone, abandoned, scared, or pressured, that they have no choice when they become unexpectedly pregnant or need counseling if they have already had an abortion. By providing vital counseling and connections, Woman's Choice Services helps women to see that they have a real choice for themselves and their children.

**The Mothering Program** of Woman's Choice Services provides an "Earn While you Learn" program for Moms. They are encouraged to attend one-on-one lessons and earn "Baby Bucks" to obtain brand new baby items for their new baby. Classes include instruction on Infant Care, Infant CPR and Breast feeding. Also offered is an Employment Workshop. We will be accepting donations for this program for mothers to purchase with their "baby bucks" See the list of items needed below for suggestions:
